KEVIN LASKAI

✉ laskaikc@gmail.com   5146237665   Dollard-Des Ormeaux, QC

CAREER OBJECTIVE

Finding an internship or research opportunity that will allow me to utilize my critical thinking and attention to detail to further develop my abilities in the field of computer science.

WORK EXPERIENCE

Computer Technician

Geek squad

📅 2019 – present Montreal, QC

- Determine the customer needs and sell the appropriate technical support service.
- Troubleshooting the customer's computer and repairing the hardware or software.

Business Owner

Laskai Renovations

📅 2019 – 2021   Montreal, QC

- Finding and managing corporate clientele, scheduling them for fence painting jobs that my employee and I would plan and complete.
- Managing billings, taxes and business regulations.

Sales Associate

Acces Electronique

📅 2016 – 2018   Montreal, QC

- Welcoming customers, maintaining floor appearance, offering professional answers and advice to clients to find the right product.

PROJECTS

Budgeting app

Co-Creator

- Created a budgeting app in C# WPF that would help the user keep track of their expenses and their income. This was a Team project in the fourth semester of my degree, it took a lot of teamwork and communication to fully complete but was a small but strong introduction to teamwork in the field.

EDUCATION

Computer Science (DEC)

John Abbott College

📅 2019 - present
